

Angela Gibson

VP of Hospital Transitions and Admissions

Angela Gibson currently serves as Vice president of Hospital Transitions and Admissions for HealthBridge. She brings nearly 30 years of experience in the healthcare industry, building admissions teams in the post-acute rehab space with the goal of achieving individual/team admissions targets.

Prior to joining HealthBridge, Angela served as Admissions Director for CareMeridian/NeuroRestorative, a national provider of residential subacute care services for the catastrophically ill and injured populations. She was also responsible for NeuroRestorative's Day Treatment and Outpatient admissions programs. In addition, Angela has served in a supervisory capacity for multiple organizations and has organized admissions trauma triage teams for medical emergency overflow of local facility disasters.

Angela is a member of the California Association of Healthcare Admission Management (CAHAM). Throughout her healthcare career, Angela has consulted with national providers of admissions management to adult/childrens skilled nursing facilities and home health care agencies.

Angela earned her bachelor's degree in Healthcare Management and Recreation from California State University Dominguez Hills.
